PRESS RELEASE

Date: March 2, 2010

---

## Corporate Reorganization Completed

The company announces the resignation of Mr. Roy Shouldice as director and the appointment of two new directors. The new directors are Mr. R. J. (Jim) Milliken and Dr. Michael Marchand.

Mr. Milliken is currently an independent businessman. He has been involved in the investment industry for forty years. He is a former national board member of the Investment Dealers Association and Canadian Investors Protection Fund. He is also a former President of the Alberta Stock Exchange, a former President and Chief Executive of Sanyo Securities Canada and a former associate of Lomax Group, a merger and acquisition financial advisory firm in Calgary. He is currently a director of Cybersurf Corp., Corona Gold Corporation, and Tudor Corporation (each of which are listed on the TSX Exchange).

Dr. Marchand has a PhD in Geology from McMaster University. He is a registered Professional Geologist in Alberta and Vice-President and Director of Honey Badger Exploration Inc., a TSX Venture Exchange company. He is also a fellow of the Geological Association of Canada, the CIM, and a director of the Prospectors & Developers Association of Canada. Dr. Marchand brings over thirty years of geological experience to the company.

On behalf of the Board of Directors  
**Leeward Capital Corp.**

“James A. Kelly”

President

All statements, other than statements of historical fact, in this news release are forward-looking statements that involve various risks and uncertainties, including, without limitation, statements regarding the potential extent of mineralization and reserves, exploration results and future plans and objectives of Leeward Capital Corp. These risks and uncertainties include, but are not restricted to, the amount of geological data available, the uncertain reliability of drilling results and geophysical and geological data and the interpretation thereof and the need for adequate financing for future exploration and development efforts. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. These and all subsequent written and oral forward-looking statements are based on the estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. The Company assumes no obligation to update forward-looking statements should circumstances or management's estimates or opinions change.
